CPST
Clear Full Height Turnstile

The CPST is our most stylish full height turnstile. Clear arms and side panel improves visual site lines and provides a less industrial look than a traditional all-metal turnstile. No other full height product comes close to the quality, looks and performance of the CPST.

Product Features

- Single or bi-directional access control
- Either rotation direction can be fail-safe or fail-secure
- Safe, controlled rotation that adjusts to pushing force of user
- UL and CSA listed, CE marked

Product Benefits

- Integrates with any access control system
- Provides single user passage control
- Helps reduce staffing requirements
- Highly reliable; provides long term continuous use

Available Models

CPST-6X   Electric

Common Applications

- Time and attendance integration
- Loss prevention
- Employee and visitor access control
