

United States Department of State

Washington, D.C. 20520

MAR 22 2010

Norshield Security Products  
3224 Mobile Highway  
Montgomery, AL 36108

Attention: Mr. Barry White

Dear Mr. White:

Based upon your request, the Department of State (DOS) has conducted a technical review of the Norshield model ATW0510A Aluminum Frame Teller Window. This review is based on the tested ATW1510A-G-1 design. It has been determined that this design will meet the DOS certification criteria for 5-minute forced entry.

The model number ATW0510A has been determined to meet the DOS certification criteria for 5-minute forced entry. Under the provisions of SD-STD-01.01, Revision G (Amended), *Certification Standard, Forced Entry and Ballistic Resistance of Structural Systems*, The ATW0510A has been certified with a DOS code of 1141 and the DOS model number of GWT-05N-NOR-06. Please refer to the DOS model number in all correspondence with the Department of State.

The GWT-05N-NOR-06 will be placed on the DOS list of certified equipment which is available for use by architects and planners. Please note that your product still has to compete with other bidding manufacturers who are certified with the same classification. We cannot guarantee that your product will be chosen by the architects that design the facilities.

Thank you for your interest and endeavors in protecting our personnel and facilities overseas.

Sincerely yours,

A handwritten signature in black ink, appearing to read "P. Gibbons", written over a horizontal line.

Peter G. Gibbons  
Division Chief  
Physical Security Division  
Bureau of Diplomatic Security
