OFFICE SPACE & CONVENIENT STORAGE - ALL IN ONE

Don't settle for just an office trailer. A SiteBox Office/Storage Combo is like a marriage made in heaven. You get a safe, ground-level office, plus spacious storage, all in one economical unit. The rugged steel structures are made to take the beating that some worksites deliver. Available in variable sizes, get just the amount of office, or of storage that you need! It's an easy way to keep your worksite organized, even keeping the documents you need right on site.

FEATURES

EASY ACCESS 20' AND 40' MOBILE OFFICES

Both 20' and 40' office/storage combos are equipped with wide, swinging cargo doors and ground level access. They are usually delivered with tilt-bed trailers, and can be placed on almost any level surface.

DELIVERY CLEARANCE

A 20-foot office/storage combo needs approximately 50 to 100 feet of straight clearance, depending on the type of delivery equipment available in your area. A 40-foot office/storage combo would need approximately 100 feet of straight clearance and an approximate width of 12 feet.

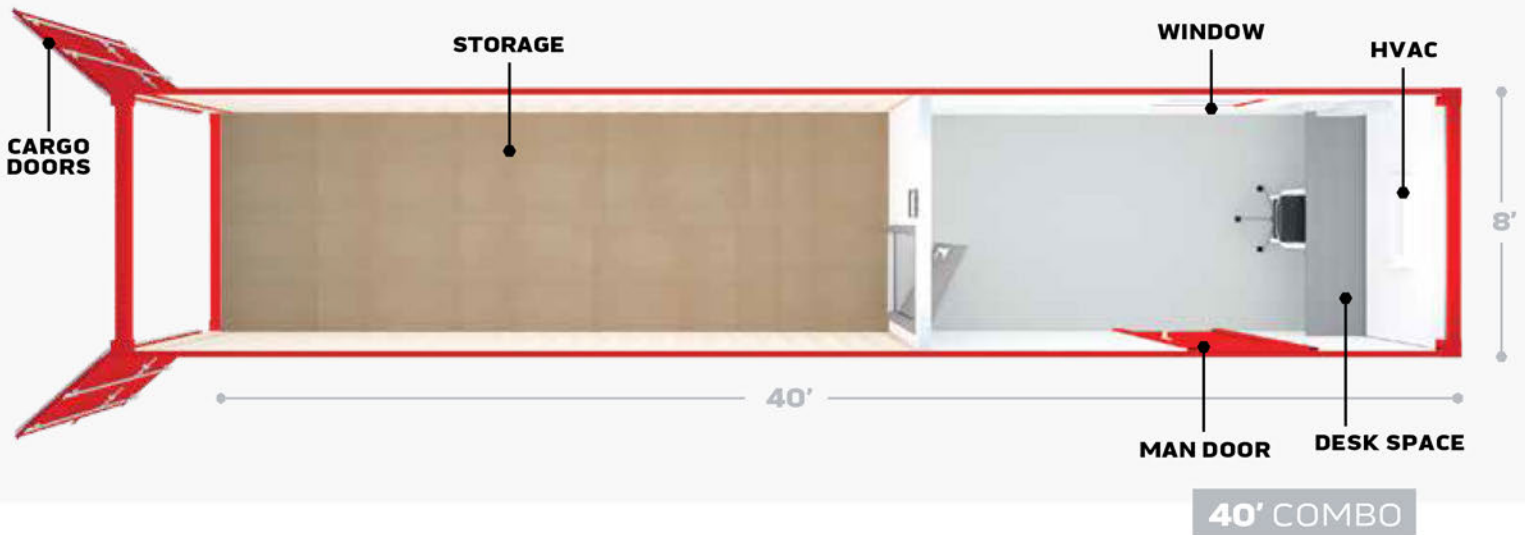

20' OFFICE/STORAGE COMBO

- 20' offers 12' office space with 8' storage space
- Temperature controlled office space
- Grilled security windows
- Weatherproof

40' OFFICE/STORAGE COMBO

- 40' offers two options for office/storage:
 - 15' office with 25' storage
 - 20' office with 20' storage
- Temperature controlled office space
- Grilled security windows
- Weatherproof

FEATURES

FEATURES

Get what you need in an office, with the convenience of attached storage. Each Office/Storage combo unit, available in 20' or 40' options, has security windows, HVAC with temperature control, and safety features, like smoke detectors and fire extinguishers. Ready-to-go desks have electrical and ethernet connections, to bring the convenience of an onsite office to you. No ramps or stairs required, since these units are ground-level access. Treated steel construction makes the storage water-resistant and pest proof.
